Today Delta Residents Association hosted a virtual All Candidates meeting. I would like to thank all the volunteers who helped make this meeting a success. In our meeting all the participants were kind, respectful and it was a pleasure to talk to them. All candidates were invited but only 4 made it to the meeting today. There was not enough time to ask all 14 questions, so I have asked candidates to email me their answers and I will post their answers on our new website by 8pm Tues Sept 14<sup>th</sup>. I have included a pdf file of the 14 questions submitted by Delta Residents. We have recorded the meeting on youtube. Here is the link

You can read about the platform and policies for each of the parties. Some of the parties do a better job of explaining their platforms and rationales better than others whereas some parties just give you a snapshot of their election promises.
