Seeking Public Input re: Delta's Cycling plan

This survey is open until July 4th

BC Guide Dog Owners needed for 1.5 years

There may be still a surplus of puppies that need homes by end of June.

Puppies are 8 weeks old at start and stay with family until 18 months old. Commitment includes 1 class per week at Ladner facility on Highway No. 10 west of 72 street. All hosting expenses are covered. If vacation or family emergency occurs there is coverage.

5 to 8% of dogs succeed as guide dogs with all others then becoming therapy dogs for other Community needs.

If you are able to help, please phone

Judy Smith 604-596-0006

or alternately Sheila Trimble 778-578-6080

Sincerely,

Christina Shyong
